Contract for Boarding and Dog Training

I understand and agree that genetics and environmental history (e.g. past experiences, nutrition, health etc.) will affect my dog's behavior. By signing this agreement, I agree to maintain my dog's training after the board and training is completed, following Joanna Stanford's instructions. I understand and agree that training may not be able to completely cure aggression, or other problems, and I further understand and assume all risks associated with owning and harboring a dog that may be aggressive. As a condition of my dog's participation in training with Joanna Stanford, I agree to waive all claims against Joanna Stanford, Trots Dogs, Inc. and to indemnify and hold Joanna Stanford, Trots Dogs, Inc., its officers, agents, and employees, harmless from any and all liability or claims I may have now or in the future or that any other person or entity may have because of any death, bodily injury, personal injury, or because of any loss to property that may arise out of or in any way be connected with the my dog's training. The indemnity shall apply during the period of training and after the dog is returned to my care custody and control.

I agree that Joanna Stanford does not guarantee that my dog will always do or stop doing any specific behaviors after training; I understand that Joanna Stanford agrees to offer follow up support and training, whether by telephone or in person, as long as I shall own my dog. I agree that if, by agreement between Joanna Stanford and myself, my dog needs additional training for a period of more than one day, I shall permit my dog to overnight at Joanna Stanford's location, that I will not be charged additional training fees, but that I will pay a boarding fee. I agree that follow up training appointments, if needed, will be conducted at Joanna Stanford's location. I agree not to hold Joanna Stanford liable for loss or damage to toys, blankets or any other personal property.

I agree that in the event of a medical emergency, Joanna Stanford may have my dog treated by a veterinarian of her choice, and I will be responsible for the cost of any such medical treatment. I understand and agree that my dog's training will involve use of training tools selected by Joanna Stanford, including but not limited to a remote control dog training collar.

In the event it is necessary for Joanna Stanford to institute collection proceedings for monies due, I agree to pay all of her attorneys fees and costs associated said collection proceedings. I understand that this is a legal binding contract.

Disputes over the outcome of dog training services provided shall be resolved by the use of binding arbitration with an arbitration firm. I shall bear all fees and costs of the arbitration. Prior to entering this agreement, I have read this agreement and understand that I have the right to have this arbitration agreement reviewed by counsel in order to advise me if it is in my best interest.
